Foxwarren Museum

Article by Eve Simard

The Foxwarren Museum is a fantastic place for people of all ages to stop in and is located right beside the beautiful Foxwarren Memory Garden that is full of colourful flowers, garden ornaments, and over 1000 memorial stepping stones dedicated to the past residents of Foxwarren. The Foxwarren Museum is dedicated to the pioneer women of Foxwarren and inside the museum there are displays of a pioneer woman's home and all of the tools she would use every day. The Foxwarren Museum is located in the old Saint George's Anglican Church, where the community people attended church services and other religious events. Early pioneers built St. George's Anglican church in 1906 and was originally located northeast of Snake

Creek on land donated by J. Herbert Hodgson. The building is 119 years old but it was relocated to the town of Foxwarren in 1921 where it served as the community Anglican church until it eventually had its last service on April 26th, 1995 when it closed. In 1993, the Foxwarren Historical Society was formed. The goal of this society was to preserve old buildings, document historic events, record oral history, and develop a museum in the village. The Historical Society also wanted to encourage activities to increase tourism in the community. After the closure of Saint George's Anglican church, the Foxwarren Historical Society took over the building and turned it into the Foxwarren Museum. After a few years of hard work from the Fox-

warren Historical Society and volunteers, the museum, dedicated to pioneer women of Foxwarren, was officially opened on May 20th, 2000. Shortly after opening, the museum building was moved across town to its current location, making it easier for visitors to find. Over the years, the Foxwarren Historical Society has faced challenges, the passing of board members and people with the knowledge of Foxwarren being the greatest. It makes the work of our summer students more important than ever to capture the stories and the oral history of Foxwarren. The museum was closed for almost 2 years during the pandemic, during which time social media became more important than ever to keep interest in the museum. While visitors to

the museum have not yet returned to prepandemic levels, weekly activities planned throughout the summer are working to bring visitors back to Foxwarren Museum and Memory Garden. Farmers' Markets, Kids Activity Days, Anniversary Garden Parties, and Joe Plumb Day, celebrating a beloved business, are just a few of the regular activities happening throughout the summer and always bring together people sharing their stories of Foxwarren. The Foxwarren Museum is open Monday to Friday from 9 am to 4:30 pm throughout the summer or by appointment at other times. The museum appreciates all who visit and share their personal stories that involve the wonderful village of Foxwarren!

Miniota Time Capsule Opening

Write-up and photos submitted by Linda Clark

Where have 25 years gone? On Wednesday, July 23rd, 2025, the Village of Miniota Time Capsule was opened in the community park with approximately 60 citizens in attendance. In 2000, a committee was formed to build a cairn which would contain a time capsule of objects submitted by the community. The committee was comprised of Russell Howard, Don Forsyth, Lloyd Oliver, Bill Mossop and Edward Lelond. Sadly all but one of these gentlemen have passed away. The committee selected a stone which lay between the property of the Trout farm and the Armitage farm on the edge of the valley. It was brought to town and the cement base and capsule created. The inscription reads: Village of Miniota Centennial 1900-2000 Preserving the Past Looking to the Future Dedicated July 23, 2000 And so it was that the capsule was to

be opened 25 years later to the day. Linda Clark welcomed everyone giving a bit of the history and others in the crowd also shared their knowledge of the event. Following the opening of the time capsule, the items which had been encased were on view for all to see. Lynne Cornish had composed an article on the Miniota community and she read that out to those in attendance.

Cake cutting was done by Barry and Lynne Cornish and Edward Lelond. A few brought new articles to be encased once again, and so the Time capsule articles will be left on display at the Miniota Municipal Office until the end of September, and citizens are invited to drop off new articles. An evening will be held in the fall and the capsule will be sealed for a second time, with the idea that it will be opened a second time on July 23, 2050.

Lois and Laurie Davison enjoyed a visit last week from her sister Glenda and husband Al Brooks of Nanaimo, BC and their son Evan Brooks and his wife Jenn and their children Grace, Annabelle, Leia, and Gavin of Surrey, BC. They had a great time taking in several activities in the area. They visited the Foxwarren Museum for Joe Plumb Day and enjoyed ice cream and mini-golf. They spent a day at Shoal Lake Fair. Norman Graham took them on a horse drawn wagon tour of the town with 10 passengers aboard. They toured Lone Oak Percherons and the children enjoyed petting and sitting on

such a large horse. They took in the Garden Tours on the 19th and attended church at St. James Church at Solsgirth on the 20th with a picnic lunch following. They also spent time swimming at Birtle Beach. Isn't it amazing what we have to offer in our own back yard.

Jack and Judy Bolter of Calgary, AB were visiting with his mom, Alice Bolter, at Sunnyside Manor last week.

Theme night at the Birtle Riverside Golf Club Ladies Night took place on Tuesday, July 22nd with 50 ladies attending. "Bridesmaids" was the theme, a trivia contest followed golf and everyone had a great

time!

Congratulations to Cass Lyttle and Dylan Bonchuk who were married on Saturday, July 26th!

It seems to be the year of Class Reunions with the Class of 2015 celebrating their 10 year re-

union on the July 25th weekend.

Randy and Marlene MacDonald of St. Albert, AB were here visiting with Bob and Toby Sawyer last week.

Wishing everyone a happy and safe Terry Fox Day (aka Aug. long).

Local players Elly Cohen Gies, along with Cohen Dow, Ethan Duncan, Evan Rogers, Isabella Peterson, Joel Scratch, Lane McDonald, Laura Brookes, Malcolm McArthur, Marissa Emerick and Nicole Corr made up the roster for the U15 Birtle Bluejays this year. Their coaches were Ross Emerick, Louis McArthur and Chris Bray and Sarah Deschambault was their

manager. The team had a rough season with only one league win. On June 20-22 they attended regionals in Hamiota where they pulled off two wins and earned themselves a spot in the tier 3 provincials in Roblin, July 11-13th. During provincials they won their first three games, lost the fourth and won their fifth to allow them to play the gold game versus Brandon where they brought home silver. A great ending to the year team!

Jake Muir was also a member of the Midwest AA team, and attended baseball provincials this past weekend. Congrats Jake!

A wonderful turnout for the opening of the Centennial Time Capsule in the park was held on July 23rd – 25 years to the day of the ceremonies in 2000. A writeup can be found elsewhere in the paper.

Visiting with Bernice Still was her granddaughter Kaitlyn Wever and her children Easton, Davy, and Scotlyn, Monarch AB and Rute Salemon Still, Hanna and Jacob, Esterhazy SK

The Isabella Museum has seen a few visitors this summer including John and Elsie Duff and family who were holidaying at their summer home in Beulah.

One hundred thirteen descendants of John and Helen Norrie met over the August long weekend (1-4th) for the Norrie Family

reunion. Notable guests included daughters-in-laws Ruth Norrie(Frank) and Doreen Norrie(Cyril). Cousins came from Airdrie, Black Diamond, Brandon, Calgary, Cayley, Dauphin, Grande Pointe, Hamiota, High River, Isabella, Kelowna, Medicine Hat, Maple Ridge, Regina, Rivers, St. Lazare, Surrey, The Pas, and Winnipeg for this event. The first reunion was held in 1970 and then became a triennial event after 1981. Families shared all meals together at the Hamiota Agricultural Society facilities for four days. As is

tradition with a Manitoba Norrie reunion, Washers, darts and Corn Hole were played. A special roast beef supper was shared Saturday night, followed by the nightly campfire. On Sunday afternoon, "The East" defeated "The West" in a lively game of slow pitch. Hamiota still proves to be the best Manitoba spot for this kind of celebration with excellent campground facilities, hotel, Airbnb, stores, playgrounds, swimming pool and golf course so close at hand. Alberta will host the next reunion in the summer of 2028.

Crystal Journey Brings Unique Sound Experience to Birtle

For more than two decades, Crystal Journey has been captivating audiences across Canada with an extraordinary blend of sound and vibration. Founded by musician David Hickey, Crystal Journey began over 22 years ago with a simple setup of crystal bowls and has since grown into an immersive experience featuring Paiste Gongs, vibraphone, Persian santors, harmonica, and other world instruments. With more than 1,600 shows and countless miles traveled, Hickey continues to share his passion for creating music that moves people on a deep and personal level.

first began, sound concerts were virtually unheard of in Canada. What started as small gatherings quickly grew into sold-out performances in major cities. Over time, the music evolved, incorporating new instruments and expanding into a full-spectrum soundscape. While change sometimes challenges expectations, Crystal Journey has remained committed to pushing boundaries and creating unforgettable moments for audiences. Each performance is designed as a journey — an opportunity to relax, reflect and connect through sound.

Fans describe Crystal Journey concerts as pow-

erful, transformative and deeply calming. These events are not about titles or labels; they are about allowing the music to speak for itself. Whether it's the deep resonance of the Gongs or the ethereal tones of the crystal bowls, the experience is unlike anything else.

Now, Birtle and surrounding area will have the chance to be part of this magic. Crystal Journey will perform live in Birtle on Saturday, August 23. Don't miss this opportunity to experience an evening of sound that promises to inspire and uplift! See ad below for info.

Community VOICES

we want your feedback!

Making informed decisions on how to best serve you is important to us! BMDDC is asking for your thoughts on key issues like housing, employment, services and recreation. Your input will guide decisions, shape future initiatives and strengthen our community for generations to come!

The surveys will focus on different topics, allowing us to take a deeper look at what matters most. Whether you're a long-time resident or new to the area, your voice is important!

Please take a few moments to complete this survey. Your responses will remain anonymous and the results will be used to develop plans and resources that reflect our community's needs. We appreciate your time!

Adding your contact is not mandatory but can help us reach out with relevant information in response to your specific answers. It also enters you in our draw!
