### BIRTLE DROP IN RECEIVES CO-OP SUPPORT

Birtle Drop In Centre has a bright new look, thanks to support from Twin Valley Co-op through the Communities in Full Color Program.

For the last 33 years of operation, the walls of the center have been covered with dark curtains from the days when the building was a movie theatre. In 2022 we decided it was time for an update.

The old wall coverings have been removed and a fresh coat of paint has been applied. The result is a bright, cheerful, and welcoming environment.

All the paint required to complete this project was donated by Twin Valley Co-op. The Drop In Board of Directors, members and visitors are very thankful for this local support, so that the center will continue to be a pleasant and welcoming spot for years to come.

## Miniota School Feb. 1908

The Miniota School District No. 389 was formally established in 7-14-26 west of the Principal Meridian, in what is now the Municipality of Prairie View. In April 1919, the school came under the authority of the Miniota Municipal School Board which, in addition to operating this school, also consolidated several other rural schools, some of which remaining operating under the control of the board. Included in the new, larger district of Miniota Municipal School No. 149 were Blaris School No. 358, Palmerston School No. 638, Wynona School No. 1048, Omar School No. 1194, Brighton School No. 1192, Thoona School No. 1241, Isabella School No. 1333, Glenlochar School No. 1369, and Uno School No. 1674.

# ISABELLA NEWS - By Linda Clark

May 2 2023

Organized by our postmistress Lisa Raven, Isabella hosted a craft sale this past Saturday with 15 tables. Many vendors were selling their homemade wares from woodworking, wooden and vinyl signs, clothing, jewellery, pottery, handbags, baking and plants, along with Avon, RADA knives and Engrained Flour, and more. The vendors and community were appreciative of the buyers who attended. The Isabella Community Women's organization served soup, sandwiches and dessert. Most appreciative for all who dropped in for a 'look' from surrounding communities. A good day for our community!

Spring has arrived we pray and soon our farmers will be out on the land and the machinery will be on the move! These words from a Facebook post: 'It's that time of year again. Be patient. Be respectful. Be thankful. If getting behind a tractor for a few minutes is the worst thing that happens to you today, you are living pretty well.'

# BIRTLE NEWS - By Jan Fleury

April 25 2023

Condolences of the Birtle community are being extended to the family and friends of Kathy Falloon of Russell at the age of 82. Kathy was predeceased by her husband Dale and is survived by her children Heather (Les) Ferris and Scott (Lesia) Falloon and their families. Kathy taught school in both Birtle and Foxwarren.

Erin and Flynn Hodgson visited with Glen and Marg Hodgson last weekend and took in the play, The Adams Family, performed by the Strathclair Drama Club.

Several community members, including myself, Jan, attended the performance as well. The handi-van took several down for an evening performance but due to the storm on Wednesday the performance I was to attend was postponed to Saturday afternoon. The Thursday performance was also re-scheduled to Sunday afternoon due to the weather. Once again these talented performers and behind the scenes workers did a fabulous job! Looking forward to next year.

Sympathy of the community is being sent to Wendy and Ted Bartlett and family on the passing of Wendy's brother Bill Vennard of Winnipeg.

Ken and Linda Lawrence have returned from a ten day vacation to England to visit family. Linda reports meeting two cousins she had never met and a great holiday even though they travelled home from Regina in the snow storm last week.

May 2 2023

The community was saddened to learn of the passing of Hardo Bewer of Winnipeg. Hardo is survived by his wife Judie and sons Kirk, Daniel, Tim and Kristof and their families. Hardo taught at Birtle Collegiate from 1978 to 1993 and farmed in the area after retiring from teaching. He and Judie moved to Winnipeg to be closer to family.

Word has been received of the passing of Linda Doran of Prince George, BC at the age of 75. Linda was the daughter of the late Glen and the late Evelyn Doran and moved to Prince George as a young woman. Sympathy of the community is extended to Linda's family and friends.

Bev Lee has returned from spending two weeks visiting in Jamaica. She was accompanied by her daughter Cindy and husband Fabian and their sons Kingston and Hayden and they visited with Fabian's family in Jamaica. Upon returning to Birtle, her son, Kelly and his wife Shannon and their daughter Anastasia of Winnipeg and nephew Danny and Dana Hayden of Grand Prairie, AB spent the weekend with her. They also visited with family and friends in the area.

There hadn't been a Ladies Night fundraiser for the Palliative Care Unit at the Birtle Health Centre since 2019 due to the Covid restrictions, so it was no surprise that the

event was sold out. Those in attendance enjoyed a delicious roast beef supper followed by a Fashion Show by Tracy Myhill of Junction 16 in Shoal Lake. A good time was reported by all.

Kevin and Jo-Anne Hickman along with Marion Tomiski attended the 90th Birthday celebration for Marion's brother, Bill Tomiski held at the Lions Manor in Brandon on April 29th. Also attending were Fay Tomiski, Phil and Jaime, Blake and Denny and Cheyene Tomiski, Darrell Tomiski of Brandon, Bonnie and Allan Desrochers and Ashley and her fiance Bradley of Somerset. After this party the latter attended a supper celebration for Fay whose 80th birthday was an event of April 30th. Congratulations Bill and Fay on these milestone birthdays!

May 16 2023

The former staff members of the Birtle District Hospital held a pot luck lunch to celebrate Nurses Week with 40 former staff able to attend. The former staff members included the oldest ladies Ardena Page and Alice Bolter of Sunnyside Manor and Sheila Brydon of Brandon. As well as local residents members came from many surrounding towns. They all enjoyed a great day of visiting.

Congratulations are once again extended to Tatum Amy who was named Canada West Female Athlete of the year. She is now a nominee for a national Athlete of the Year Award. We are so very proud of you and your accomplishments Tatum!

Sympathy of the community is being expressed to Debbie & Robert Edmundson on the passing of Debbie's Mother, Shirley Dale of Hamiota on May 10th at the age of 87. Our thoughts as well are with her extended family and friends.

Andrea Kines of Estevan, Sk visited with her Mom, Joyce Kines last weekend to help with yard work and celebrate Mother's Day.

Welcome home to Bob and Marge Barteaux who arrived home last week after spending the winter in Comox, BC.

Bev Lee had a visit from her nieces, Sherry of Grand Prairie, AB and Kathleen of Edmonton, AB, last weekend. The girls also had a time visiting with Barb and Archie Hayden at Morley House PCH in Shoal Lake.

I (Jan) had a visit from Janine, Randy, Janessa and Brody Urbanovich from Brandon on Mother's Day.

The first long weekend of the summer season will be celebrated this weekend. Happy Victoria Day! Have a safe and happy holiday!

# ACC announces next sites for rural rotating Comprehensive Health Care Aide program

Assiniboine Community College has announced the next community sites to host the college's rural rotating Comprehensive Health Care Aide (CHCA) program:

- Reston, Manitoba
- Birtle Collegiate in Birtle, Manitoba
- Crocus Plains Regional Secondary School in Brandon, Manitoba

The certificate program will commence in all three sites on September 11, each with capacity for 22 students.

"We are pleased to work with these communities, schools and Prairie Mountain Health to deliver this important program to students who may benefit from the access to training close to home," said Mark Frison, President at Assiniboine. "The demand for skilled health care aides is high. We know this program will be able to help support this need in the province, while providing terrific career pathways for individuals to pursue."

The college connects with community and Regional Health Authority stakeholders regularly regarding requests for CHCA programs. The community sites announced today are a result of these consultations.

The CHCA program teaches graduates practical skills to care for patients and to communicate in a clinical setting, while also learning how to help patients with their well-being and managing their health care environment.

The college has a proven track record of delivering highly successful CHCA programs in other communities through the use of rural rotating sites, such as Souris, Carberry, Glenboro, St Pierre, St Malo, Crystal City, Virden, and a variety of First Nation communities.

There will be an in-person information session for interested applicants in Reston on May 30 at 6 p.m. at 143 3rd Ave, Reston. For more information and to register, visit [assiniboine.net/infosessions](https://assiniboine.net/infosessions).

Visit [assiniboine.net/chca](https://assiniboine.net/chca) to find out more about the Comprehensive Health Care Aide program. Interested students can apply online at [assiniboine.net/apply](https://assiniboine.net/apply). Those interested in the high school sites in Birtle and Crocus Plains should speak to their school officials before applying.

# Tatum Amy named Canada West Female Athlete of the Year

May 10, 2023 - Tatum Amy has been crowned the 2022-23 Canada West Female Athlete of the Year, earning the conference's top honour after an incredible season that saw her lead the Cougars to a U SPORTS National championship title.

Amy will move forward as the Canada West nominee for the prestigious Lois and Doug Mitchell U SPORTS Athletes of the Year Awards, which honour the nation's top male and female student-athletes. U SPORTS will announce the winners later in May.

When Tatum Amy graduates this June, she will leave behind an exemplary legacy of leadership, athleticism, and volunteerism. The fifth-year captain finished her post-secondary career in dream fashion, leading her Cougars to their first U SPORTS national championship.

The product of Birtle, Man. was a difference maker all season. Amy led all of U SPORTS in assists with 24 and topped Canada West scoring with 31 total points. For her exceptional leadership on the ice, Tatum was named a Canada West First Team All-Star, Canada West Women's Hockey Player of the Year and the recipient of the Canada West Sportsmanship and Ability Award. At the U SPORTS level she also received accolades as a second team All-Canadian.

She leaves MRU as the program's all-time points leader.

While her on-ice achievements are many, her off-ice accomplishments are even more impressive. She has excelled in the classroom as a U SPORTS Academic All-Canadian and has devoted herself to giving back to her community, volunteering with several non-profit organizations. Her outstanding efforts off the ice were recognized with the Canada West Student-Athlete Community Service Award as well as Mount Royal's Female Community Leadership Award.

## From the coach:

*"No one put the team first more than she did and no one believed in her teammates the way she did. Her hockey IQ, patience and poise with the puck separate her from her peers and allow her to play in every situation. She is a difference maker in every aspect of the game and came through with big plays, in big moments throughout the season."* - MRU Cougars Head Coach, Scott Rivett

## From the athletic director:

*"Tatum has been a member of our women's hockey program for six years. During this time she has grown as an individual to where she truly exemplifies what it means to be a Cougar and what our institution and department values are. She has displayed outstanding leadership skills in the classroom, on the ice, and in the community. She has a high level of expectation for herself in all that she does and this resonates with her teammates. Every challenge and obstacle that Tatum faced she overcame including an injury this January that saw her dreams of being a member of the 2023 women's hockey FISU team taken away. She puts her team first, personal accolades aside all for the betterment of the hockey program. This paid off for her (and the team) as they won Mount Royal's first gold medal at the national championship. Tatum is set to graduate this spring and through her sport of hockey, she truly is ready to take on her next journey in life."* - MRU Director of Athletics and Recreation, Karla Karch
