28 Years of Dedication - Thank You, Eleanor

by Zoey Jebb

photo submitted

After 28 years of dedicated service to Birtle and Area's Community Development, we bid a heartfelt farewell to our colleague and friend, Eleanor, as she steps into a well-earned next chapter.

Eleanor has been with the CDC since the very beginning, helping to lay the foundation of the organization and shape the work we continue today. From launching early initiatives to supporting countless community-driven projects, her fingerprints are woven into the fabric of our community's success.

Her quiet resilience and generosity have made a lasting impression throughout the community she's served.

Whether she was co-

ordinating behind the scenes, drumming up community spirit or offering support to new initiatives, Eleanor brought a level of commitment that supported everything around her. Her presence, compassion and unwavering belief in the power of community will be deeply missed.

Though we are sad to see her leave the CDC, we are incredibly grateful for all she has given and excited for her in her new endeavors. On behalf of BMDDC and the many lives she's touched over the years, thank you, Eleanor, for 28 incredible years of service!

You will always be a part of the story!

BIRTLE LANDFILL

TUESDAY	1:15-3:15PM
WEDNESDAY	3:00-5:00PM
THURSDAY	1:15-3:15PM
FRIDAY	3:00-5:00PM
SATURDAY	10:00AM-12:00PM & 1:00-4:00PM

Curbside Trash Service

- **First Pickup day is Tuesday May 6th**
- **Convenient :** All you need to do is fill up your cart and pull it to the curb.
- **Reliable:** MWM has friendly and helpful staff to make sure your trash is picked up on time.
- **Considerate:** Our cart assist program helps those in need get their cart to the curb.

Never Miss a Pickup Again!

Check out our MWM App though the App Store or Google Play, or simply scan the QR code below!

Check out Recollect, a program that lets you print collection calendars and receive reminder notifications. We highly recommend signing up, as it also allows us to notify you of service delays or changes due to weather or road disruptions. Visit MWMEnviro.ca, scroll to “Never Miss a Curbside Pick-up Again,” enter your address, and hit search. You can print a calendar and sign up for reminders via email, phone, or Google Calendar. Need help? Contact us—we’re happy to assist!

FREQUENTLY ASKED QUESTIONS

When is my pickup day?

- Your recycling cart will be emptied every other week according to your collection calendar with the first pick up:
- **Tuesday May 6th**

MWMEnviro.ca

What if I need assistance with placing my cart at the curb?

MWM offers a Medical Assist Program that is available for those who need help getting their cart to the curb. This is available for long or short-term needs.

Please call or email your Town office to sign up for this service (204) 842-3404

Will there be enough room for all my trash in the cart?

For residents doing spring or fall cleaning, renovations, etc. MWM offers larger front-load and roll-off containers at very reasonable rates, please contact us at (204) 483-3986 for more info

Check with your neighbour and if allowed place extra bags in their cart.

Curbside Cart Service Starts Soon

Trash - Charcoal Lid - May 6

Recycle - Blue Lid - May 13

- ✓ Have it at the curb by 7am
- ✓ Park it so wheels are just off the roadway
- ✓ Arrows should point to the center of the road
- ✓ Give an arms length distance on all sides

For more information see the full notice at myprairieview.ca or call 204-842-3403

Thank You, Eleanor

Cont'd from Front Page

Over the years, Eleanor has been involved in a wide range of projects that have left a lasting imprint on our organization and the wider community. From the early days to more recent initiatives, her dedication has touched countless lives. Here is a look at just some of the areas she's dedicated her time to throughout the years, many of which she played key roles in the creation and maintenance of.

- Birtle & District Community Development Corporation (now known as Birtle Miniota & District Development Corporation)
- CDC Business Incubator Building in Birtle
- Travel and Tourism including the Tourist Booth
- Trails
- Birtle & District Founda-

tion

- Birtle Family Dance Welcome Night and Volunteer Appreciation
- Canada Day Celebrations
- Hockey Ville
- Manitoba Ville
- Communities in Bloom
- Coop Fitness Centre

"It didn't matter what it was going on in town... whether it was Hockeyville, Community Foundation... things that needed community engagement to make them work, she was always there supporting it."

Local Sitters - A New Crew Freshly Certified

by Martyn Lambe

It was a fantastic turn out that we hosted in Miniota for the Red Cross babysitter course on April 25.

Our instructor Zoey Jebb believes this is an important decision in young peoples lives and has tailored her course towards gaining the most valuable info towards this new step in responsibility, but adds in fun and confidence building items during the day. Each participant goes home with a first aid kit, Babysitter's Manual and certification.

There is still room for the Birtle course on May 9th, please contact Martyn at recreation@myprairieview-iew.ca to register.

Above: Learning Through Play - Youth in the Babysitters Course discover that all it takes is a ball of paper and a bit of creativity to keep kids (of all ages) engaged and entertained.

Birtle News by Jan Fleury

Condolences of the community are extended to the family and friends of Troy Harris who passed away in Winnipeg on April 24th at the age of 25 years. Troy will be dearly missed by his parents Val and Marvin Harris and his brothers, Lucas, Zach, his twin Colton and his grandmother Viola

Harris. Sympathy of the Birtle Community is expressed to the family and friends of Lynda Couvier formerly of Miniota and Foxwarren, who passed away April 23 at the age of 74 and is survived by her husband Robin and her children. Another Birtle Colle-

giate Grade 12 student will be continuing his education in Kelowna in the fall. Congratulations to Aiden Lewis of Miniota who will be playing baseball and studying Athletic Therapy. Joan McDonald enjoyed a girls trip to the spa in Moose Jaw, SK on Easter weekend along with her was her sister Donna and Donna's two daughters and two granddaughters.

The Valley Viperz wound up the volleyball season last weekend. The group from Birtle battled against some big city clubs and finished 3rd in their pool. They fought back and climbed the ladder jumping five places higher than their initial rankings going into the tournament. This was the first season for the club and they have done very well! Congratulations girls!

Together We Grow: Recognizing Volunteers and Embracing Newcomers by Linda Clark

Pictured above left to right: Presenter Trevor Clark, Randy Still, Angie and Kendall Heise, Mel and Wendy Higgins and John Higgins. *photo by Zoey Jebb*

The annual Welcome Evening was held on April 23rd in the Miniota Hall. The evening began with greetings by Reeve Roger Wilson, followed by a delicious potluck supper. The Miniota School Choir, numbering 60 plus children under the direction of Mrs. Tricia Lelond, entertained the 180 plus crowd with

two songs. There were 13 newcomers/households welcomed, although only 5 families were able to attend. Zoey Jebb of the Birtle Miniota CDC present-

ed the newcomers with a welcome bag. Following the introductions of the newcomers, three Miniota fire department awards were announced: Curtis Gardham 15 years, Sheldon Doole 20 years, and a retirement gift and plaque for Shelley Gardham who has served 18 years with the department. The Bill Clark Memorial Volunteer awards were presented. Crandall's nomination was for the Late Bill Higgins, and his two brothers Mel and John Higgins attended to receive this nomination. The Isabella community nominated Randy Still and Kendall and Angie Heise. A wonderful evening with a full house for visiting concluded the evening.

Miniota News by Linda Clark

Congratulations to Kelsey Brown and Claire Regnier who attended Provincials for U14 Club volleyball in Winnipeg, playing for Club West. Playing 9 games, with 6 wins, they finished 25th in the consolation bracket. They now move on to Nationals to also be played in Winnipeg from May 9-11th. Good luck girls!

Our community extends deepest sympathy to Robin Couvier on the death of his wife Lynda at Birch Lodge in Hamiota on April 23rd. Sympathy also to their family: Michelle and Jerry Harder, Mike and Jody Couvier and Mark and Codi Couvier and their families. Lynda

was a long time supporter of the Miniota Community Centre and our Miniota UCW always willing to help with her energy and her good cooking. Our thoughts are with you all.

A warm welcome to Jeff and Sam Bertram who have moved from Strathmore AB to become a part of our community. They have purchased their home from Danny and Jaelynn Carter. We wish Danny and Jaelynn and their children well in their new home in Virden.

A piece of our history was dismantled this past week with the removal and cleanup of the Main Street lot known as Forsyth's Grocery Store, which then be-

came the R & M Solo Store and then Bob Gardham's Grocery store, along with the apartment which was attached. That apartment housed many businesses through the years such as Angell's Meat Market, Bill Cousin's Repair Shop, hairdressers and more.

Don and Sandra Armitage have returned from their winter holiday in Llano Grande Park, in Mercedes, Texas. Sandra writes, "It was another fun time with more people to meet and lots of activities. In this park there are 3 swimming pools, 12 pickleball courts, about 12 shuffle courts, and several different buildings for card playing, line dancing, music

jams, quilting, pool playing, etc. There are many people from Canada – not quite half. There is a Canadian social every year and by the tally there, we saw that the largest number of Canadians are from Ontario. The park is in the Rio Grande Valley 5 miles from the Mexican border so the Mexican influence is quite strong in the stores, the restaurants, and music. At Christmas time I saw many women in the stores sorting(tossing) through the dried Chili peppers, and picking up corn husks to make their traditional tamales for "la Navidad". We were told that 50% of the valley people speak both English and Spanish,

JOIN US FOR AN UNFORGETTABLE WEEKEND!

Miniota News by Linda Clark

25% only speak Spanish, and 25% only speak English. It's definitely a bicultural place.

My sister, Carolyn, came for two weeks and while she was there we did some birding. The RGV(Rio Grande Valley) is a major centre for bird watchers. It is on the flyway for birds flying south for the winter. The Sandhill cranes fly over that area, for example. It also is the separating point for some birds that fly north only that far and stay for the summer. Carolyn was happy to see a roseate spoonbill, which is an exotic looking pink bird as well as orioles, and many others. We also went to Padre Island beach, a chocolate factory, Sal del Rey(a salt

lake that used to be mined), listened to Mariachis, tested Mezcal, a drink made with agave, at a distillery close by, ate tamales and charro beans, and relaxed in the sun and often the shade when it got above 30F! We experienced 14 inches of rain in one storm in early April and saw the damages that it caused. It was a lot of water! All in all, it was a good winter and we plan to go back next year!

The Valley Viperz volleyball club attended a tournament in Winnipeg this past weekend. Our local girls on this team are Quinn Bryant and Reese Lelond, along with coach Tricia Lelond. Coach Lelond reports a most successful 1st year for

these girls.

The Miniota UCW held their annual roast beef supper on Sunday, April 27th. With such a beautiful day, many people drove from all surrounding communities

to join and support us. The ladies served around 170 people.

"What is the most important subject to learn in life? To learn to love." Pope Francis 1936-2025

Isabella News by Linda Clark

Congratulations to Cadie Huberdeau for her many roles in the Strathclair Musical "Annie" this past week. Hats off to the Strathclair Drama Club for their 41st Production, once again another wonderful performance by a very talented cast, children and adults.

Congratulations to Randy Still and Kendall

and Angie Heise who were the recipients of the Bill Clark Memorial Volunteer Award at the welcome supper in Miniota on April 23rd. Our appreciation to each of you for all you do for our community. Kyle, Karina, Max and McKenna Winters, Brandon, attended the supper with Karina's parents Kendall and Angie.

HELLO
spring

teapot birdfeeders

Wednesday
MAY 14, 2025

7:00 PM
\$45.00 per person
Arrow River Hall

The poster features a colorful background with pink and green floral patterns. At the top left is a small circular logo for 'Her Village'. The main text 'HELLO spring' is in a playful, multi-colored font. Below it, 'teapot birdfeeders' is written in a cursive font. A central image shows a white teapot birdfeeder with a floral design, perched on a small wooden stand. To the right of the teapot, an arrow points to the text 'Wednesday MAY 14, 2025'. At the bottom, a pink banner contains the time '7:00 PM', the price '\$45.00 per person', and the location 'Arrow River Hall'.

Check out Miniota Summer
Bonspiel's newest addition!!

**2 ON 2 CASH
BONSPIEL**

**Wednesday, July 16th -
Thursday July 17th, 2025**

- \$40 entry fee per pair
- Will be during the day
- Can throw with a stick or slide from the hack

To sign up contact Loree at
204-851-5221

Entry deadline: Thursday, July 10th @6pm

The poster has a warm, orange-toned background with a large sun in the top left and green palm trees on the sides. The text is bold and clear, with '2 ON 2 CASH BONSPIEL' in large, stylized letters. A list of rules is provided in a smaller font. At the bottom, contact information and the entry deadline are given. The poster is decorated with various floral and leaf motifs.

Another one of our Grade 12 athletes will be continuing on their sports career, this time with Baseball!

Congrats to Aiden Lewis who will be headed to Kelowna in the fall. Aiden has been a top athlete on all our sports teams, as well as a coach in our middle years programs. He is a great example of a well rounded athlete and a wonderful leader on our teams and with our younger students.

We're excited to follow his career and see where he ends up! (Secretly were hoping he becomes a teacher, but Athletic Therapy is the current plan)

Good luck Aiden!

credit: Birtle Collegiate facebook

What a great weekend these girls had!!! This group, from small town Manitoba, battled against big city clubs! They finished 3rd in there pool, making their battle harder... they fought back, and climbed the ladder... jumping up 5 places higher than our initial rankings going into it!

For our first year as a club, we couldn't be more proud! Well done Viperz!

We are already looking forward to next year!

HOLISTIC HIGHLIGHTS

Grounding - Simple Connection, Powerful Benefits

with Zoey Jebb

Why does it matter?

Because We are Electric Beings.

1. The Nervous System Runs on Electricity

Your brain and nerves communicate through electrical impulses. Neurons send signals via tiny voltage changes caused by the movement of ions (like sodium and potassium) across cell membranes. This is the basis for everything from muscle movement to thoughts.

2. The Heart Uses Electrical Signals

Your heartbeat is controlled by electrical impulses generated by the sinoatrial (SA) node in your heart. This electrical activity can be measured with an ECG (electrocardiogram).

3. Cells Use Electrical Potentials

Every living cell maintains a membrane potential, which is essentially a voltage difference between the inside and outside of the cell. This electrical gradient is crucial for things like nutrient transport and cell signaling.

4. We Generate Electromagnetic Fields

The electrical activity in our bodies produces weak electromagnetic fields, which can be measured and, in some cases, influenced (like with brain stimulation therapies).

I first came across the concept of grounding about a decade ago while reading about a man named Clint Ober who, in 1998, had a simple but powerful thought:

Could wearing shoes and disconnecting from the Earth be affecting our health?

Clint reflected on how grounding cables removed static and interference in electronics, allowing for clearer signals. He wondered if the same principle could apply to the human body, given that we are electrical beings. Could reconnecting with the Earth's energy reduce "interference" in the body and improve overall wellness?

What Is Grounding (or Earthing)?

Grounding means making direct physical contact with the Earth's surface, such as walking barefoot on the earth. In my experience, just a few minutes a day can produce noticeable effects: calming my nervous system, reducing stress and I definitely sleep better.

Studies suggest that direct contact with the Earth allows free electrons to enter the body, which may help neutralize harmful free radicals and reduce inflammation (a root cause of many chronic conditions).

Reported Benefits of Grounding Include:

- **Reduced Inflammation** — Studies show up to a 70% decrease in visible inflammation.

- **Improved Sleep Quality** — Many people report falling asleep faster and waking less at night. My son and I both can attest to this!

- **Pain Reduction** — Grounding has been linked to decreased chronic pain and muscle soreness.

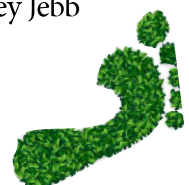

- **Cortisol Regulation** — Helps rebalance circadian rhythms by stabilizing stress hormone levels. Yes Please!

- **Enhanced Recovery** — Athletes use grounding mats to support faster physical recovery. By reducing inflammation and increasing circulation, the body heals faster.

Whether you go barefoot in your backyard or use grounding equipment indoors (you can purchase the mats right in Birtle through Valley Art Therapy), reconnecting with the Earth is a simple natural way to support your health!

So go touch grass! And experience the benefits for yourself!

Wishing you Wellness,
Zoey Jebb

Community

VOICES

Making informed decisions on how to best serve you is important to us! BMDDC is asking for your thoughts on key issues like housing, employment, services and recreation. Your input will guide decisions, shape future initiatives and strengthen our community for generations to come!

The surveys will focus on different topics, allowing us to take a deeper look at what matters most. Whether you're a long-time resident or new to the area, your voice is important!

Please take a few moments to complete this survey. Your responses will remain anonymous and the results will be used to develop plans and resources that reflect our community's needs. We appreciate your time!

Adding your contact is not mandatory but can help us reach out with relevant information in response to your specific answers. It also enters you in our draw!

ENTER TO WIN

Submit one of our surveys
for your chance to win a
Prairie View Yeti Mug!

Community Voices - Recreation - Survey #3
