Valley Service for Seniors Hosts Local Talent at Birtle Drop-In

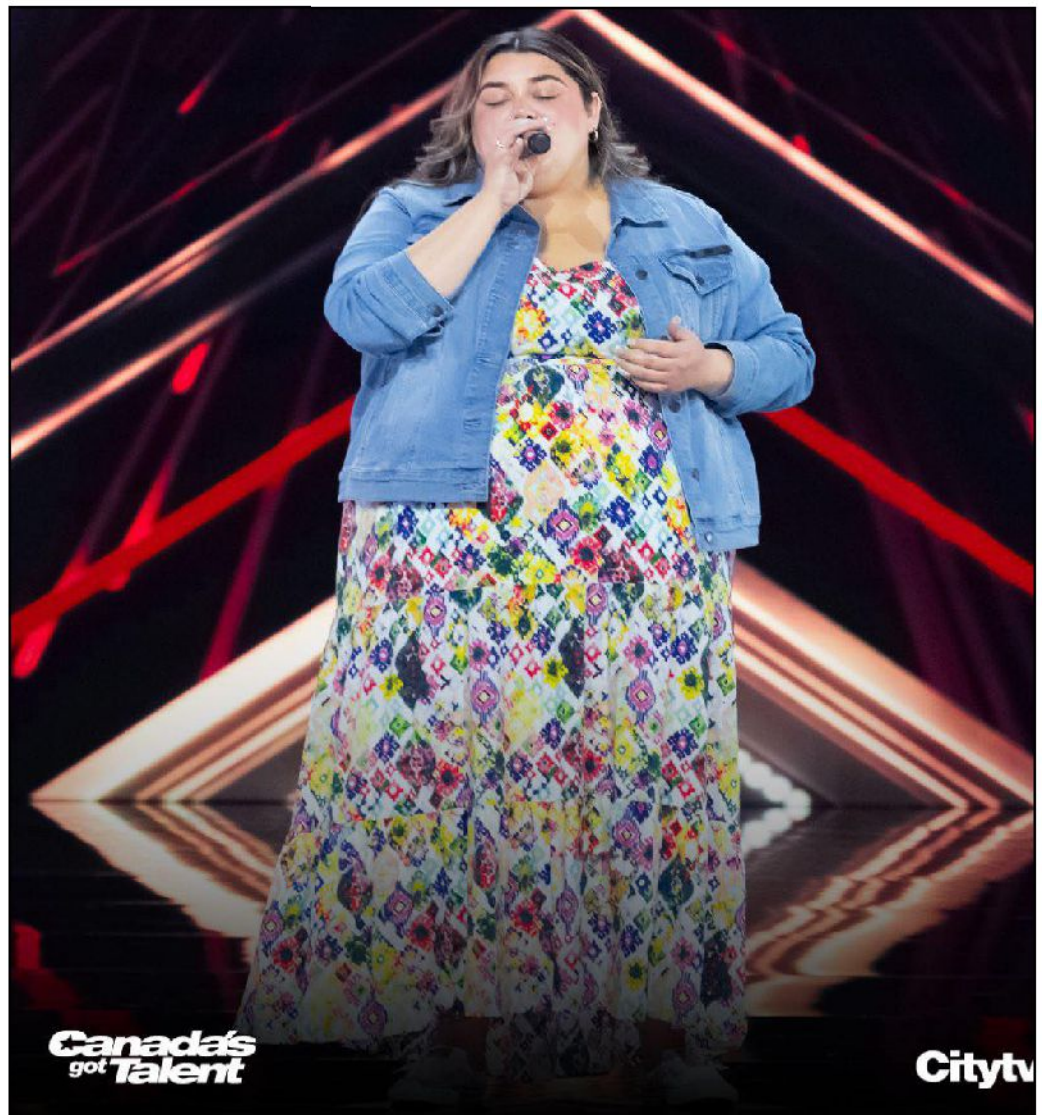

In early August, Valley Service for Seniors was delighted to welcome local singer Julianna Moore to the Birtle Drop-In. Her powerful and versatile voice filled the room, bringing energy and joy through a wide range of musical genres.

A familiar face in the community, Julianna keeps a busy schedule balancing work with her passion for music. She performs as a soloist at various venues, is a member of the trio Just For Kicks, sings in the duo Wildflower Whiskey, and lends her voice to the local choir Konectis.

Adding to her list of accomplishments, Julianna recently auditioned for Canada's Got Talent, showcasing her talent on a national stage.

Her performance at the Drop-In was a wonderful display of local talent.

Get On-Side! Our Goal is to Support Local Hockey and Have Lots of Laughs!

Listening to You: What our Community Voices Surveys Tell Us

Prairie View residents have been speaking up - and we've been listening!

Through a series of surveys led by BMDDC, we're gathering valuable insights on housing, employment, travel, recreation and community life. This information helps us make informed decisions, plan for the future and ensure that Prairie View continues to be a great place to live, work and raise a family.

We are now preparing our seventh survey focused on Daycare Needs and we encourage everyone to take a few minutes to share their voice. Every response makes a difference. The survey can be found on the back page of The Outlook or under the Community Voices tab at www.myprairieview.ca.

Housing & Employment

Survey results show that most Prairie View residents are homeowners, with only a small number looking for specific housing such as in-town condos or two-bedroom homes. Employment responses revealed that many residents are already working locally, retired or running small businesses. Only a few indicated that they were actively seeking jobs, though one employer, Prairie Mountain Health (PMH), noted the

need for nursing staff.

Recommendation:
Promote housing availability and establish a job board to better connect employers and workers

Travel Patterns

Our Travel Patterns Survey revealed that most residents travel weekly or daily outside Prairie View for shopping, healthcare, work and recreation. The top destinations include Brandon, Russell, Virden and Shoal Lake. Many respondents said they would stay in Prairie View more often if more amenities, products and events were available locally.

Recommendation:
Expand local retail, services and recreation opportunities to help reduce outbound travel and keep more activity close to home.

Recreation in Prairie View

When asked about recreation, residents expressed strong interest in arts, music, cultural events, sports and fitness activities and youth and senior programs. Suggestions included walking groups for seniors, open teen sports at schools, outdoor winter activities like tobogganing and family entertainment nights.

Barriers to participation included cost, limit-

ed program options and lack of time.

Recommendation:

Develop low-cost, accessible programs, increase advertising and scheduling and explore improving outdoor infrastructure such as trails.

Community Belonging

The Community Belonging Survey highlighted Prairie View's strong roots. Respondents, some who had lived here for more than 50 years, rated their sense of belonging a 7 through 10 out of 10, showing deep community ties. Favorite events included Canada Day, Fall Fest/Welcome Night and local teas and socials.

Residents shared that the Outlook newsletter, Facebook, word of mouth and bulletin boards are their preferred ways of receiving community information.

Recommendation:

Continue promoting inclusive events, encourage support groups and outreach and use multiple communication methods to reach everyone.

Coming Soon:

Daycare Needs Survey

Our next survey will

focus on daycare and childcare needs. We'll be asking:

What ages need care?
How many children need spots?
What times are most needed?

The results will help guide daycare expansion and ensure families have the support they need.

Why Your Input Matters

Each survey builds a clearer picture of our community's strengths and needs. Together, we're shaping the future of Prairie View — ensuring that our municipality remains welcoming, supportive, and vibrant for all generations

- Surveys are anonymous
- Adding contact info is optional — but it helps us follow up and also enters you in a draw!
- Surveys can be filled out online, on the back page of the Outlook, requested from the CDC office, or by texting/emailing.

Thank you to everyone who has taken part so far - your voice matters!

Together, we're building a stronger Prairie View!

On July 19, the Miniota 65ers gathered for a wonderful reunion weekend.

We were very excited to have 23 “brown envelopers” be able to meet for a whirlwind visit and catch up on old times. Much thanks to Rodney and Loree Gardham for hosting us in their beautiful yard where we reminisced and enjoyed many laughs.

We began school in 1966 in the old Miniota School with Jean Wiens as our teacher. We are pleased to note that we have not lost anyone in our 65 years. That must be some kind of record.

We had a few who could not attend that we certainly wished could have made it. I guess this means we will just have to host another reunion.

Thanks also to the

Miniota Community Centre for letting us join their annual Summer Bonspiel Weekend to enjoy meeting up with old friends and getting reacquainted.

We welcomed our fel-

low 65ers from Miniota, Birtle, Brandon, Morden, Virden, Regina SK, Cranbrook BC, Victoria BC, Leduc County AB, Mico Texas USA, Cypress County AB and Red Deer AB.

Manitoba's Wage Subsidy Program: Helping Employers

Hiring and training new employees can be a challenge for businesses and organizations. To help with these costs, the Province of Manitoba offers a Wage Subsidy Program, designed to support employers while providing meaningful job opportunities for individuals entering or re-entering the workforce.

Through this program, employers can receive financial assistance to offset the cost of on-the-job training for new hires. The subsidy must be approved before the employee is hired, and positions must provide at least 30 hours of work per week. Employers must also ensure that cur-

rent staff are not displaced.

The program is open to a wide range of employers, including private businesses, non-profits, community groups, Crown corporations, municipalities, tribal councils, and public health or education institutions. Eligible employees include individuals with a current or past Employment Insurance (EI) claim, or those who are unemployed or at risk of losing their job.

The amount and length of support vary depending on job requirements, skill development needs, and local labour market conditions. While overtime and vacation pay are not covered, the program provides

a valuable way to build a stronger workforce while easing financial pressure for employers.

Employers interested in learning more can contact their local Manitoba Jobs and Skills Development Centre by calling 204-726-6500 in Brandon, toll-free at 1-866-332-5077, or by visiting www.gov.mb.ca/wd/ites/contact.html.

Joan Taylor, Kathy Taylor and Tom Swiston, Gerrie Taylor, Pat and Delbert Cole, Beth Lelond and Dorothy and David Howard gathered at the Sherwood in Virden on August 3rd to celebrate their mother, Margaret Taylor's 96th birthday. As well some of the grandchildren were able to join the celebration.

Happy Birthday Marg from your Miniota friends!

This from Elsie Dickenson: Sunday, August 3 saw the descendants of the late Douglas and Maud (McConnell) Lelond gather in Arrow River for a family reunion. The family includes Margaret, Elsie, Faye, Mac (Pat) and Ed-

ward (Beth) who were all able to attend. When one considers our total age would be well over 300 years, we consider ourselves very fortunate. About 75 were in attendance from Yellowknife, Medicine Hat, Thompson and other towns in Manitoba. The Lelond name at Arrow River goes back to

1882, when the area was first settled. Four generations enjoyed the walk about town, with 'smatterings' of history given along the way. The ride(s) around town in the 'jail' pulled by one of Douglas's old tractors was a real hit until the tractor conked out. Younger generations learned the locations of businesses in the original village of Arrow River. Some ventured into the hills to view an Indigenous gravesite and learn the interesting geological history of the hills. Kids of all ages enjoyed the bouncy castle and the games. The afternoon concluded with supper in the Arrow River Hall and then visits with other Lelond cousins. No one went home not knowing more family history, town and area history.

Many of our community children have been enjoying swimming lessons at Birtle, Hamiota, Virden or Hooper's lake with some families also enjoying the camping.

80 golfers hit the Miniota Golf Course on August 9th for the Men's 27 Hole Tournament. Results were as follows: Championship: 1) Buck Morton & Jesse Lytle 2) Brady Joseph & Bryce Kyle 3) Kent

Isabella News

by Linda Clark

The children of the late Charlie and Stella Arris: Margaret, Jim, Charlotte, Ed and Bev along with other family members, all gathered in Winnipeg to celebrate the 60th wedding anniversary of Charlotte and Lou Wolowich.

Congratulations to Charlotte and Lou on such a wonderful milestone and how wonderful all siblings could be present.

Congratulations to Kayleigh Wall, daughter of Kelvin and Becki Wall, on her marriage to Eric McConell, on Sunday, August 17th at their home at Melita. Attending the ceremony and banquet were Kelvin and Becki and their family, and Hazel Wall. Best wishes to the happy couple from your Isabella friends!

Eve Simard's Full-Circle Moment

So this is a pretty cool story! When Eve was in Mrs. Bowley's grade 7 class, they were given an assignment to choose a person of interest in history to research and prepare a voice presentation while portraying their person in a "museum tour". Eve chose Nellie McClung who helped women obtain the right to vote in Manitoba in 1916. This was a great activity and had a big impact on Eve.

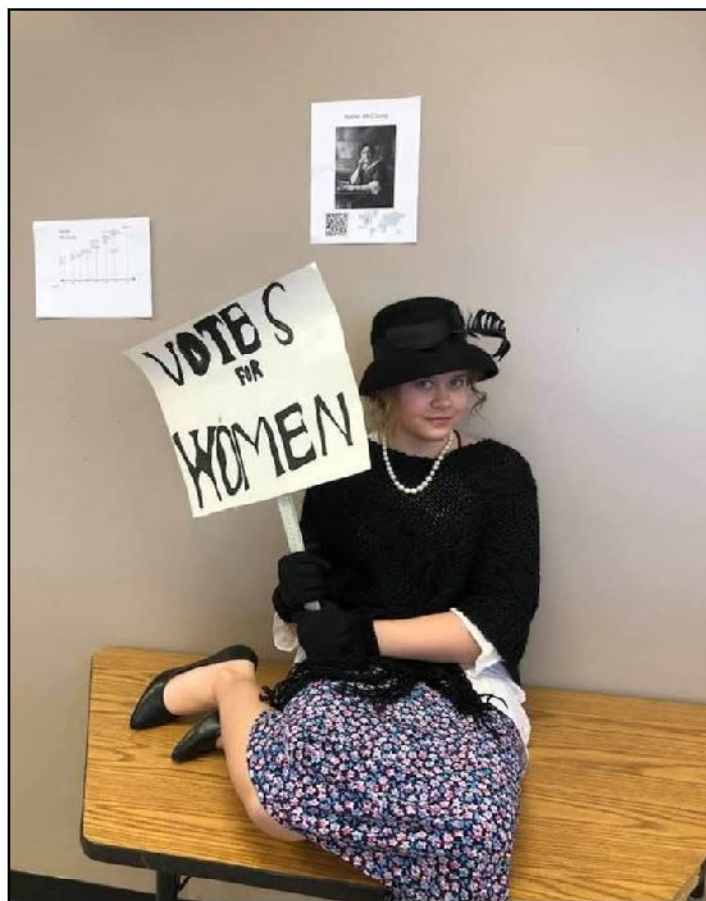

Fast forward to this year, Eve applied for the Nellie McClung Trailblazer scholarship presented to 5 young women in grade 12 in Manitoba and another 5 to students already in post secondary. Some

of the criteria outlined for this scholarship are leadership and advocacy and it states that trailblazers are people who push boundaries, lead with innovation and open doors for others.

We are super excited to share that Eve is one of the five Manitoba young women in grade 12 who will be awarded this scholarship in September at a banquet at the Government House in Winnipeg. Congratulations Eve! We are all so very proud of you.

Here is a throwback to her grade 7 "museum tour" photo! No, she didn't send this in with her application!
