# SHIRTSLEEVE CLASSIC COMMITTEE THANKS YOU!

We may have broke a record with the hottest Shirtsleeve Classic but what a great weekend it was!! This event is our big weekend for people to come to Miniota and enjoy everything our small town has to offer, along with a variety of activities to keep you occupied. It also helps keep our facilities going. But it takes many volunteers to organize, plan, and execute.

Thank you Bob Gardham and his crew who got the ice ready, scraped the ice and made the draw. This heatwave certainly made your job harder so we greatly appreciate all your hard work and expertise! To our caretakers, thanks ladies for keeping our facility clean and tidy all weekend.

Thank you to the following organizations:

[Miniota Golf Club & Campground](#) for hosting the 3 day golf tournament

Miniota Skating Club for putting on another successful fun Color Run

[Valley Recreation District](#) for the fun kids activities

[Miniota Fire Department](#) for hosting a delicious breakfast on Saturday and keeping the kids entertained on Sunday at the Fireman's Rodeo

[Little Kitchen on the Prairie](#)  
[Assiniboine West Watershed District](#)  
[Prairie View Municipality](#)

BIG THANK YOU to our board members who ran this marathon weekend. They are the ones who planned the weekend, found volunteers, kept the kitchens and beer gardens stocked, organizing the slo pitch tournament, made the car rally, organized the kids activities and anything else you can think of.....they did it all!

We are very fortunate to have a wonderful community of volunteers of all ages, who are always willing to help out with anything. Thank you to everyone who worked kitchen shifts, bar shifts, brought food, helped with the curling ice, set up and clean up of the rink for the weekend. We would not have a successful weekend without each and everyone of you who helped us.

And of course all of you who came to participate, spectate, enjoy a meal or a drink, and/or socialize with friends, we hope you had a wonderful weekend and thank you for supporting our community.

We hope to see you all next year at the 2025 Shirtsleeve Classic July 18-20 🌞

# 2024 ROCKY POND FARMS CAR & BIKE SHOW

## A Tribute to Friendship and Automotive Passion

On July 20, 2024, Rocky Pond Farms hosted its 5th annual Car & Bike Show, marking another successful and memorable event. This year's show, blessed with favorable weather, was dedicated to the memory of four cherished friends—Woody Langford, Brian Lane, Helmut Neufeld, and Brad Nicholson—who were deeply missed by all.

## A Showcase of Automotive Excellence

The 2024 Car & Bike Show was a resounding success, with a record 61 vehicles, ranging from classic beauties to cutting-edge electric cars. This impressive turnout surpassed previous years and showcased a diverse array of automotive craftsmanship. The event highlighted a rich spectrum of vehicles, celebrating both vintage classics and contemporary innovations.

## Community Spirit and Generosity

The event was made possible through the generous support of the community. Birtle Pharmacy kindly donated Section 6 beer to help attendees stay refreshed in the summer heat. The show was free to attend, with donations requested to support the Birtle Lions Club's Grain for Green project. The generosity of the attendees was evident, with \$1,050 collected to aid this important cause.

The success of the day was also due to the efforts of numerous volunteers who helped with food, logistical tasks, and prize organization. Their dedication ensured that the event ran smoothly and was enjoyable for all.

## Stan Yaskiw's Passion for Cars

Stan Yaskiw, the driving force behind the Rocky Pond Farms Car & Bike Show, has been passionate about cars since childhood. His love for automobiles began with a fascination for Corvettes, sparked by watching the iconic TV show *Route 66*. In 1974, he purchased a 1962 Corvette, a dream come true for a young car enthusiast.

Despite facing challenges, including having to sell the Corvette due to financial strains in the early years of farming with his parents, Stan's love for cars endured. The buyer's failure to follow through with the payment did not deter Stan and his family. They persevered, and Stan's passion for cars continued to grow.

Today, the Rocky Pond Farms Car & Bike Show reflects Stan's dedication to celebrating automotive culture. For Stan, the show is more than just an event; it's an opportunity to gather with fellow enthusiasts, share stories, and enjoy a day devoted to their shared love of cars.

## A Day to Remember

The Rocky Pond Farms Car & Bike Show 2024 was a fitting tribute to the friends who have passed and a celebration of the community's enduring spirit. It brought together car and bike lovers, fostering connections and creating new memories.

As Stan Yaskiw put it, the show is about bringing together like-minded individuals who share a passion for automobiles. This year's event, with its impressive display of vehicles and generous community support, once again proved to be a testament to the joy and camaraderie that cars can bring into our lives.

Here's to many more years of celebrating automotive

July 16<sup>th</sup>, The CDC Office had a visit from the Kidz Camp! We talked about Economic Development and what that means for a community, we watched a couple short vids and discussed some of the many important roles within our community and then the children drew some of their favorite Community Helper and Workers.

Afterwards, we ventured over to the RM Office where they did a mock Meeting and discussed a scenario of their choosing... 'bringing an arcade and/or movie theatre to town.'

The group appointed a chairperson and the meeting was called to order. They voted to focus on an arcade which was to be located near the fairgrounds. They picked an empty lot beside the rink and began working out the details. They decided to fund the project with a mix of fundraisers, a call for donations and grant money. They talked about how much work building a facility would be and the variables needed to make decisions on size of the building and overall costs of the project. There was a lot of careful thinking and inventive ideas.

Thanks to the kiddo and camp staff for coming out and spending some time with the Birtle Miniota CDC!

Chris Norrie , ending the weekend with a family ball game.

An article of interest of one of our former Isabella people is the story of Julie Clark Moroney of Brentwood Bay BC. Julie continues to golf despite her failing eyesight. Her husband Pearce Moroney discovered Blind Golf Canada and he acts as her coach in tournaments. Julie has been very successful at the competitive level. We are proud of you Julie.

A family graveside service was held at the Isabella Cemetery on July 23<sup>rd</sup> for Marilyn Reid. The Reid family is appreciative of the beautifully manicured grounds.

The Heise House museum is being painted and we all await the transformation.

Word has been received of the death of Gordon Campbell of Neepawa. Gordon was raised and farmed at Isabella for many years prior to retirement. We extend our sympathy to his wife Vivian, and children Pat, Ron, Tannis, Scott and their families. Tannis visited with Bernice Still delivering the news of her father's death.

# Birdtail Country Museum Happenings

Happenings at the Museum! For the past two weeks Birdtail Country Museum has had the Valley Recreation Day Camp kids in for a tour and some activities!

The visits start off with a tour around the museum and finishes with activities such as a Birdtail Country Museum scavenger and word hunt with prizes to be won! The kids particularly enjoy being able to open our bank vault, and looking through Alfred Morton's "On this day" to see what pioneer Alfred Morton did on the dates of their birthdays!

Thank you to Day Camp staff and museum volunteers for helping us share the history of Birtle with younger kids and making it fun!

Day Camp kids will continue to come to the museum once a week until August 8th!

# MINIOTA HAPPENINGS

From the desk of Linda Clark

July 9 2024

Congratulations to the Lenore Beef Club members on their club show on July 1<sup>st</sup>, as well as the interclub competition on July 2<sup>nd</sup>, held at the Virden Ag Grounds. The Interclub show was followed by a most successful sale. Miniota members in this club are: Colby, Katie, and Blair Howard, Lincoln Judd, Reagan Bell, Coralee Anderson, and Jake, Gracie, Kinsley and Lainey Muir along with leader Courtney Muir.

The U 13 Royals Girls softball team attended provincials this past weekend. Although the team did not come home with medals they had a great weekend and a successful year. This team was coached by Randy and Michelle Bryant and Ben Howard and their team manager was Terryl Green. Congratulations!

The U 15 Girls Softball team of which Khloe Brown is a member were successful in bringing home the bronze medallions from provincials at Steinbach. Darryl, Krista and Boden Brown accompanied Khloe and took in all the action this past weekend.

“You need POWER, only when you want to do something harmful. Otherwise LOVE is enough to get everything done.” Charlie Chaplin

July 24 2024

Barry and Dianne Clark are first time grandparents to Lincoln James William, a son born to Katrina and Levi Ferguson on July 17<sup>th</sup> at Brandon. Congratulations to you all!

Deepest sympathy is extended to Les and Marlene Bryant and family and Jack and Irene Bryant on the death of their brother Terry on July 17<sup>th</sup>. We extend our sympathy also to Terry's wife Greta and their children and grandchildren at Hinton AB.

Jeff, Tricia and Reese Lelond have returned from a trip west with many stops along the way to see the sights. They visited with Tricia's cousin Sherri (Cole) Van Vliet and her husband at their cabin in Peachland BC, and enroute home they stopped to visit Liz Hargrave and her family at Walsh AB.

Chris, Christine, Aubrey and James Tougas from Red Lake ON made their home base with Linda Clark for the weekend while they visited with the Morton families at Hamiota and the Clark families in this area.

Sympathy is extended to Ken Fulton and his daughters Tara, Crystal and Jamie and their families on the death of Lucille Fulton. Lucille was raised at Minota, the daughter of Charles and Hilda Goodwin. Sympathy also to Lucille's siblings Carol, Linda and Marty and their families.

A graveside service was held on July 22<sup>nd</sup> at the Miniota Cemetery for Dennis Chartier. Upon completing high school Dennis moved west to Coronation AB working in the oil fields, as a meat cutter and on a construction crew. Dennis died on December 21, 2023. Sympathy is extended to his siblings Bernadette McDougall, Patricia Edgerton, Aline and Charles Deschambault, Madeline and Terry Stonehouse, and Ron and Cindy Chartier and many nieces and nephews.

Monday, July 15<sup>th</sup>, the Sri Chinmo Oneness-Home Peace Run passed through Miniota. Several young people from the Miniota Discoveries Centre and their teachers were on hand to greet the runners. The runners from all over the world including Canada, United States and Australia to name a few places took the time to stop and visit with the children, teaching them a song and allowing them to run with the group and carry the torch. Friendly people with a wonderful message!

“The greatness of a community is most accurately measured by the compassionate actions of its members.”

## PEACE TORCH RELAY STOPS IN BIRTLE & MINIOTA

The **Sri Chinmoy Oneness-Home Peace Run** is a global torch relay that offers everyone in the world a chance to express their longing for peace.

Since its founding in 1987, the Run has visited almost every country on earth – over 150 nations and territories – and touched the lives of millions of people.

We are all sisters and brothers in a world-family. The goal of the Peace Run is to expedite humanity's efforts to make our world a **oneness-home** for all people. We run together to create a world founded on peace. The Peace Run does not seek to raise money or highlight any political cause. Our simple goal is to create a feeling of goodwill among peoples of all nations.

### How does it work?

The Peace Run is a **worldwide relay run**. Runners carry a torch – the Peace Torch. The torch is passed from hand to hand, from person to person, as we travel from nation to nation.

Running with the Peace Torch is a unique experience. It awakens the experience of peace as a tangible reality - a reality that is dynamic, fulfilling and achievable. Hundreds of thousands of individuals, from schoolchildren to heads of state, have shared the joy of this experience.

### Founder - Sri Chinmoy

Many people, out of their boundless compassion and affection, call me a man of peace.... I take myself as a student of peace, not as a man of peace — and 'peace-maker' is far beyond my concept. Only a student can learn. If I remain a student of peace, I will be the happiest and the proudest person. Only a student can learn. For him is the ocean of knowledge and the ocean of peace, the ocean of peace.

### Our Peace Run team

The Sri Chinmoy Oneness-Home Peace Run is co-ordinated entirely by volunteers. The international Peace Run relay teams are made up of runners from all walks of life, who take time off from their jobs or studies to join the team for a few weeks.
