Volunteerism is the heartbeat of Prairie View, driving the many opportunities and events that make our communities thrive. Behind every celebration, project, and gathering are generous residents who plan, organize, make decisions, create, work at events, and help keep our communities vibrant and welcoming.

Birtle Foxwarren & Area Fall Fest 2025: A Call to Community _____ compiled

As the leaves turn and crisp fall air settles over Prairie View, there's many rumblings about Fall Fest 2025, happening October 24 & 25. With events ranging from a vendor/artisan market and PVG Halloween dance to a glow-in-the-dark movie party and live music, there's truly something for everyone. But beyond the fun and festivities lies a deeper purpose: building a stronger, more connected community - and it starts with each of us.

Hometown Highlights: Showcasing What Makes Us Strong

Kicking off Saturday's schedule is the Hometown Highlights Tradeshow (October 25, 11 AM - 2 PM @ Birtle Community Hall), a vibrant showcase of local organizations, volunteer groups and sports clubs. It's a place for newcomers and longtime residents alike to discover what's happening in their own backyard - opportunities to get involved, give back and connect.

Every booth tells a story. A story of neighbors helping neighbors. Of coaches giving kids a reason to believe in themselves. Of volunteers quietly keeping essential services running. These groups don't just "do good work", they are the heart-beat of our community.

Why Should You Care?

It's a fair question. Everyone's busy and volunteering might not be top of mind. But here's the truth:

Without these organizations, there would be fewer sports teams for kids, fewer support programs for families and seniors, fewer community events that bring us all together. The things that make our communities feel like home are often made possible by people you don't see - until they're gone.

So why care? Because these organizations need you. And maybe, it's possible you need them too. Volunteering isn't just about giving time - it's about building purpose, connection and pride in where we live.

A Community is Only as Strong as Its Volunteers

Many local groups are quietly struggling. As dedicated volunteers age

out or burn out, there's a growing gap in leadership and participation. Fall Fest and the Hometown Highlights Tradeshow are a chance to learn about all the opportunities within our communities and maybe with a little more awareness, we can reverse that trend.

Come learn what each organization does, how they contribute and what opportunities exist to get involved. Whether you're great at organizing, coaching, fundraising or simply showing up, there's a role for you.

Make Memories. Make a Difference.

Fall Fest is about more than fun - it's about making memories that matter. Bring the kids to the Glow-in-the-Dark Movie Night. Cheer on your Hometown Heroes. Dance the night away with friends old and new. Stop by a tradeshow

table and ask, "How can I help?"

Let's keep the spirit of COMMUNITY alive - for today and for the future.

- Fall Market & Artisan Showcase - Friday, 2-7PM
- PVG Halloween Dance @ Birtle Hall - Friday, 6-10PM
- Hometown Highlights Tradeshow - Saturday, 11 AM-2 PM

Source: Birdtail Country Museum, Birtle Residential School Album

This spring and summer the Birdtail Country Museum has been working on developing our display about the Birtle Indian Residential School. This is still a work in progress, with some very interesting developments in the works.

We now have a TV set up to play photos taken at the residential school over the years. Included with the photos are the stories of three survivors from the school, and the granddaughter of a former staff member. These stories are also available through QR codes and accessible with any smartphone.

The first story, Bimib-too-Win (Where I Ran), is that of Charlie Bittern, and

tells the story of how the Birtle Residential School principal forced him to run in front of his car in a blizzard for 80 kilometres along Number 1 highway in Manitoba.

The second story, Run as One, details the story of four Birtle Residential School students who were selected, along with six students from other residential schools in Manitoba, to carry the Olympic torch during the Pan Am Games in 1967. They ran from Minneapolis to Winnipeg, but when they arrived at the stadium they were not allowed to bring the torch in.

The third and fourth stories tell the experiences of Birtle Residential School

survivors Percy Ballantyne and Arthur Fourstar, as told to the Legacy of Hope Foundation. The fifth story is that of Sue McLoughlin, granddaughter of Fred Finlay who was employed as an engineer at Birtle Residential School.

Birdtail Country Museum has been in touch with Charlie Bittern and Percy Ballantyne, and with Sue McLoughlin and Darla Fourstar, the daughter of the late Arthur Fourstar, to request permission to include their stories in our display. We have also met in person with Charlie Bittern, Percy Ballantyne, and Terry Wasteste, another survivor of BRS, to show them our display so far, and ask their

opinion on it and on future developments. We plan to continue to work closely with them. Sue McLoughlin and Darla Fourstar have also visited the museum.

In addition the museum continues to partner with our Community Liaison Researcher, Kayleigh Tanner, on the ongoing project "Working Together to Tell our Stories". Kayleigh is working on gathering and recording the stories and memories of community members from Waywayseecappo and Birdtail Sioux First Nations, particularly those who attended Birtle Residential School, and researching the history of Residential Schools.

these projects is to promote reconciliation by telling stories of Indigenous history and experience, and to share these with visitors to the museum. Our goal is to display an engaging, multi-media exhibition of this complex part of Birtle's history.

Birtle News

by Jan Fleury

Sympathy of the Birtle community is extended to the family and friends of Florence Widdicombe who passed away on September 22, 2025 at the age of 102. Florence was an active member of the Foxwarren community for several years before moving to Russell.

The Birtle Community also extends condolences to the family and friends of Linda Butler of Foxwarren who passed away on September 25, 2025 at the age of 79.

Donna Bamford of Jacksonville, FL spent three weeks visiting with her mother, Iris Bamford. They

did lots of reminiscing and sight seeing. Donna's sister, Lorraine Davidson of Gimli, came for a few days to visit with Iris and Donna and then drove Donna back to Winnipeg to catch her flight back home to Florida on Monday, September 22.

Congratulations to Denny Tomiski who won the Park West School Division Grade 6 Boys Golf Championship last week

Nancy Evans, Lawson Ashcroft and Derry Ashcroft met up with Jilleen Ashcroft and a cousin and spent a few days in Toronto last weekend taking in the Blue Jays games and touring

the sights around Toronto including the CN Tower, The Hockey Hall of Fame and Eaton's Centre shopping mall.

The National Day of Truth and Reconciliation was celebrated in Birtle over the weekend and included the Reconciliation Run from the former Birtle Residential School and ended at the Birdtail Sioux Dakota Nation on Saturday, Sept. 27, 2025. Three generations of Fleury's took part and included Darlene Fleury, her

daughter Bobbie Jean Fleury and her granddaughter, Eva. The students from the Birtle Collegiate and Birtle Elementary School also did a walk/run on Monday, September 29th.

The Birtle Golf Course hosted the Men's Windup on Saturday, Sept. 27th with 44 golfers enjoying a beautiful day for golf as well as a delicious supper prepared by the clubhouse staff. The 2025 golf season comes to a close with Sept. 30th being the last day open.

Ken Reynolds of Dartmouth NS and Jack and Mary Reynolds and their daughter Jackie, Kelowna BC visited in the Miniota area last week. A graveside service was held on September 20th at the Miniota Cemetery to inter the ashes of Ken's wife, Joan Reynolds. Several of Jack and Ken's late sister, Wilma Krewshewski's family were also in attendance along with other relatives from surrounding towns and Miniota friends.

The Miniota Discovery Learning Centre held their "Little Darling's Formal Dance" this past Friday, September 19th. Children, parents and grand-

parents brought the total of attendees to 100 plus. The hall was tastefully decorated in a fall theme complete with photo booth. A dance designed for all ages complete with dance competitions, a candy bar, a child friendly "Char-Cutie table" – of course a fun evening for our children. A 50/50 was held with the lucky winner- Fynn Lelond taking home \$147. The proceeds from this family event go towards the daycare centre. Job well done MDLC Staff!

Devin Bajus and Tamra Fenty and their children Ryder, Maci and Bohdi enjoyed a trip to Alberta and into British Columbia. Devin and Tamra were married at Camrose AB on September 26th with a beautiful background, celebrated with family and friends. Congratulations Devin and Tamra from your Miniota friends on your marriage!

Linda Clark and Harold Reid, Brandon, en-

joyed a trip to Edmonton AB this past weekend to visit with cousins. Beautiful fall scenery along the way, with lots harvesting and lots still to go.

As September ends and we greet October, much to be thankful for in this part of the country, with the beautiful harvest weather we are enjoying. Great to see the combines running in every direction!

Yesterday, our Grade 7-9 students along with our Peer Counselor group attended the event, "Resiliency for

All - Learning from the Past" at the Russell GPB centre hosted by Gambler First Nation.

Students listened to

the reading of, "Spirit Bear: Honouring Memories, Planting Dreams" by Tyler Giesler, shared in discussions surrounding Residential Schools and Truth and Reconciliation, and made meaningful connections with other students through activities and games.

We will continue to listen, learn, reflect, make connections and

take action at BCI to educate about Residential Schools and honour the Survivors, their families and those who didn't make it home.

We are grateful for the invitation from Gambler First Nation and will continue to take steps forward towards National Truth and Reconciliation.
