Meeting Place

- Draw a floor plan or a map of your home. Show all **doors** and **windows**.
- Mark **two ways out** of each room.
- Mark all of the **smoke alarms** with (SA). Smoke alarms should be in each sleeping room, outside each sleeping area, and on every level of the home.

- Remember, **practice** your plan at least **twice a year**!

This image shows a full page of blank graph paper. The grid consists of small, equal-sized squares formed by thin black lines. There are 20 columns and 20 rows of squares, creating a total area of 400 small squares. The grid covers the entire page, leaving no margins or additional markings.

Grown-ups: Children don't always wake up when the smoke alarm sounds. Know what your child will do before a fire occurs. For more fire safety resources, visit [sparky.org](https://www.sparky.org) and [sparkyschoolhouse.org](https://www.sparkyschoolhouse.org).

Birtle News

by Jan Fleury

Last week Birtle Collegiate Grade 7-9 students along with our Peer Counselor group attended the event, "Resiliency for All - Learning from the Past" at the Russell GPB centre hosted by Gambler First Nation.

Students listened to the reading of, "Spirit Bear: Honouring Memories, Planting Dreams" by Tyler Giesler, shared in discussions surrounding Residential Schools and Truth and Reconciliation, and made meaningful connections with other students through

activities and games.

They will continue to listen, learn, reflect, make connections and take action at BCI to educate about Residential Schools and honour the Survivors, their families and those who didn't make it home.

As part of the Fall Fest on October 25th the Time Capsule that was sealed 25 years ago will be opened. It is hoped that the articles inside will be displayed after opening and more will be added and resealed to be opened in 25 years from now. It will be in-

teresting to see what was placed in the capsule 25 years ago.

Sympathy of the community is extended to the family and friends of Carman Falloon who passed away at home on Oct. 2 at the age of 86. Carman and his wife, Laura, farmed north of Birtle where they raised their 3 children Roger (deceased), Sheryl and Sandra. Very active in the community, he will be missed by many.

Thanksgiving weekend is upon us. We are so fortunate to have so much to be thankful for in this country we live in with all the turmoil hap-

pening in other parts of the world. Wishing everyone a safe and Happy Thanksgiving!

Bev Lee had her son Kelly and his daughters Anastasia and Autumn from Oakville, Ontario for a short visit last week.

Hoping everyone enjoyed their Thanksgiving despite the winds howling and snow in some areas. Many lost power Sunday and didn't get it restored until Monday.

Were you away to celebrate or at home with visitors? Please forward your Thanksgiving news to 204-842-5227.

Advice for Life

Miniota News

by Linda Clark

The Miniota Golf Course and Clubhouse is officially closed for the winter, following another successful season.

Sympathy is extended to the McKean family on the death of their Aunt Vi McKean of Red Deer, wife of the late Jack McKean.

Jeannine Cymbalisty is the new resource co-ordinator for Miniota Municipal Services to Seniors. Welcome Jeannine! We wish Adrienne Bryant well in her new endeavours and are grateful for the time she spent in this position.

Wishing all our readers near and far a very Happy Thanksgiving! And as we

give thanks for our many blessings in this part of the country, this thought: "Let us replace our grumbles with gratitude, our complaints with compliments, and our discontentment with delight."

1 Thessalonians 5:18

Congratulations to the "Growing Miniota" committee, a part of the Enhancement group project for another successful harvest of 330 acres of beans. A total of 9 combines, 2 grain carts, and 7 trucks arrived to complete the harvest this past Tuesday, October 7th, on the land rented from Kelvin and Becki Wall and from Terry and Jana Joseph. Follow-

ing the harvesting of this year's beans, the Miniota Community Centre women arrived with a lovely supper in the field for the harvesters and guests. Around 50 enjoyed the meal and the fellowship. We wish the Growing Miniota committee a good price when the beans are sold. This past week the new ice plant arrived and was lifted in to place by a crane. We are getting closer to artificial ice in our skating rink. Hats off to the committee, the many who work to raise funds and also to those for their donations to make this project a reality.

Saturday, October 11th the annual rink sale was held in the curling rink with a start of 10:00 in the morning. A bit of a different format for this year, however, as usual the rink was packed with donated items to support the Miniota Community Centre. The crowd wasn't quite as large as usual. Many came to enjoy a lunch of chili and hotdogs.

Noting the cars in front of homes this weekend, many families celebrated the Thanksgiving season.

LEAH VAN DEN HEUVEL

Birtle Falcons

Leah won the Zone 10 Cross Country JV Girls Championship. Leah finished 25th out of 245 runners at MHSAA Provincials in the JV Girls Cross Country Run. Leah is a positive leader on the Birtle Collegiate JV Girls Volleyball team and excels as a setter.

Leah has a high academic standing in all courses at BCI.

We have been working hard in the last few years to increase participation in our extra curriculums.

It's safe to say we are exceeding our goal with many, many, students participating in all our programs.

While volleyball, esports, and hockey are still in full swing from Grade 5 to Grade 12, we have wrapped up golf and cross country for the year.

We had so many kids bring home banners, and our Falcons Athletics is thriving!

'Special Shout Out' to Leah, who participated in MHSAA Cross Country Provincials, and came in 25th - which is amazing! A testament to her hard work.

All these activities need staff willing to donate their time, plan for subs, use out of school hours, transport students .. the list is endless. We're very proud at BCI to have a building full of staff who step up and contribute to all the amazing programs and opportunities we are able to offer our kids.

Petition on Rumble Strips in Birtle

Submitted

Some Birtle residents have raised concerns regarding the new rumble strips installed on PTH 83 at the intersection of PTH 42. While the intention behind these upgrades was to enhance road safety, the resulting noise and vibration have created unexpected challenges for those living nearby.

Residents report that the rumble strips are exceptionally loud and forceful, with vibrations that can be felt inside homes — disrupting sleep and daily routines. The issue has prompted members of the community to start a petition to Manitoba Transportation and Infrastructure, requesting a review of the installation.

The petition emphasizes that safety and community comfort can go hand in hand, and calls for:

- A reassessment of the rumble strip design and placement.
- Consideration of quieter, alternative safety measures.
- Open dialogue between Manitoba Transportation and local residents.

The goal is not to oppose safety improvements, but to ensure that they work for both drivers and residents.

Community members hope a collaborative review will lead to a solution that maintains road safety while restoring peace and quiet to nearby homes.

The petition is located at Birtle Pharmacy.
